

Little Feet Early Learning and Childcare is a family owned and operated 60 place long care centre in Waverly. We are looking for staff to join our friendly and supportive team that offers ongoing career and professional development along with above award wages.

We are focused on creating a positive, open and honest environment for all our staff and recognise that our staff are one of our key tools in providing quality education to our children. At Little Feet Early Learning and Childcare, we believe the Education should be meaningful, providing purposeful learning opportunities that allow children to succeed in everything they do.

We have a strong focus on our relationships with families and the local community. We love to involve the children in lots of regular excursions and events in the local community. We have a well-resourced centre with generous budgets for Staff Development and Events.

#### **Why join our team as an Educator?**

- Become a part of the Little Feet Family, a vibrant, experienced team of educators from diverse cultural backgrounds.
- Paid Professional Development opportunities to grow your career.
